Dear Hon.

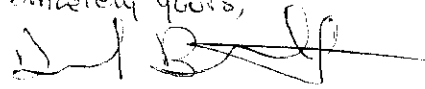

Hi, my name is Daniel Barrocault SE. I am writing this letter in regard of an "Emergency Stay of Removal". Based on the claim I presented before you, I respectfully request an emergency stay of removal. Because of the condition in Haiti right now. It's not safe to get deported to Haiti. I am in fear of my life your honor. The matter I have before you challenging my state-convictions have not been decided yet. Therefore my conviction is not final. Along with this request I move to withdraw my petition writ of habeas corpus under 28 U.S.C. § 2241 before Judge Woodlock Douglas.

Your honor I have been wronged by the judicial system. I trust in every wrong there must be a remedy. To be deported over a wrongful conviction; to separate from my family, and to no destination in Haiti is not fair. I have not lost my desire for justice. And willing to do anything according to law to get it.

At this present time, I do not have a stable address. Because Immigration have been moving me around places to places. At this very moment I am in South Bay House of correction, as a result to the moving, I'm unable to obtain the proper document to filed along with the application to proceed without prepayment of fees and affidavit. You ask me a week ago, and with a 14 days deadline. I kindly ask you a two weeks extension.

I thank you in advance for your consideration in this matter.

Sincerely yours,
